Lot Number

The SUPERIOR Wetting Agent

Agri-Q™ is an all natural blend of proprietary wetting agents and surfactants which provides superior spreader action.

2.5 GAL / 9.464 L	(% BY WEIGHT)
Principal Functioning Agents:	
Saponin containing plant extracts	99.85%
Constituents ineffective as spray adjuvants	0.15%
Total	100%

*** Non-Plant Food Product ***

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

WARNING / ADVERTENCIA

Si usted no entiende la etiqueta, busque a alguien que se la explique a usted en detalle (If you do not understand this label, find someone to explain it to you in detail.)

PRECAUTIONARY STATEMENTS

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS FOR USE, CONDITIONS OF SALE, LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

WARNING:

May cause skin and eye irritation. Harmful if swallowed. Avoid breathing spray mist. Avoid contact with skin, eyes, and clothing.

IF ON SKIN:

Wash with plenty of soap and water. Take off contaminated clothing and wash it before re-use. If skin irritation or rash occurs, get medical attention.

IF IN EYES:

Rinse cautiously with water for several minutes. Remove contact lenses, if present, and continue rinsing. If eye irritation persists, get medical attention.

IF INHALED:

If inhaled, immediately remove the affected person to fresh air. If the affected person is not breathing, apply artificial respiration. If irritation persists get medical attention.

IF SWALLOWED:

Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal. Store in original containers only in cool areas at 40 - 80°F. Keep away from incompatible substances. Keep away from metals. Do not store in metal containers.

CONTAINER DISPOSAL:

Triple rinse (or equivalent) and add rinsate to spray tank. Do not reuse empty container. Recycling decontaminated containers is the best disposal option. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill according to state and local statutes.

GENERAL INFORMATION:

Agri-Q™ is a specialized formulation of natural surfactants and sticking agents. Agri-Q™ can positively affect the application and efficacy of pesticides in poultry operations, nutritional sprays, nematocides, fungicides, fertilizers, herbicides, and insecticides designed for use with wetting/spreading type adjuvants for crop use and seed treatment applications.

DIRECTIONS FOR USE:

For use as a spreader adjuvant with nematocides, fungicides, fertilizers, herbicides, insecticides, nutritional applications for agricultural, ornamental, vegetable, turf, fruit, citrus and seed treatment applications. Can be applied with approved pesticides inside and outside of poultry operations.

NOT INTENDED FOR AQUATIC APPLICATIONS.

GROUND, AERIAL OR IRRIGATION: Agri-Q™ may be applied by ground or aerial equipment or through irrigation. For most applications, use adequate amount of Agri-Q™ to provide uniform application of spray onto leaf surfaces. For ground or aerial application to row crops, commercial vegetables, fruit/citrus trees, ornamentals or turf: Use 2 - 4 pints Agri-Q™ in minimum of 20 gallons of spray solution. For irrigation, use ¼ pint - 1 pint per acre.

SEED: Apply Agri-Q™ at 1 - 8 ounces per 100 lbs seed.

POULTRY: Apply Agri-Q™ at 4 - 8 pints per 100 gallons spray solution.

NOTE:

The above recommended rates for ground, aerial or irrigation are considered adequate for adjuvant use with most nematocides, fungicides, fertilizers, herbicides, insecticides, and nutritional sprays. Some products may require higher or lower rates. In all cases, follow the nematocides, fungicide, fertilizer, herbicide, insecticide, or nutritional spray label directions.

For seed treatment, application rates vary per crop, individual seed morphology and surface characteristics. Product application by seed weight translates into different numbers of seeds within varieties and species which can affect coating efficiency. The rate ranges provided account for variances in individual seed weight, seed sizes, and seed morphology between crop species within the same group.

In poultry operations, ensure sufficient spray volume is used to achieve complete coverage of affected surfaces.

MIXING:

Follow manufacturer's guidelines for cleaning spray/ seed treatment equipment prior to mixing. Fill spray tank with water and add all other spray ingredients according to product labels. Buffer pH to 5.0 or below before adding Agri-Q™ (ex. vinegar or Citric Acid, etc.). Thoroughly mix to resuspend any sediment before using this product. Add Agri-Q™ last and mix completely to fully incorporate with the other ingredients. It is always recommended a compatibility be performed on all first time combinations. (Excessive agitation may lead to foaming of spray solution).

CONDITIONS OF SALE, LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Organisan Corporation warrants that Agri-Q™ conforms to the chemical description on its label. When used in accordance with the label directions under normal conditions, Agri-Q™ is reasonably fit for its intended purpose. Application timing, method of application, weather, plant and soil conditions, mixture with other chemicals and other factors affecting the use of this product are beyond our control. Therefore, no warranty is given concerning the use of this product differing from the label directions or as a result of abnormal conditions. The user assumes all risk of such use. Any remedy for any cause of action against Organisan Corporation relating to a defect in the product shall be mediated under the laws of the State of Georgia, USA. Any damages found to be incurred by the Company shall be limited to the following: 1) refund of the purchase price paid by buyer of the product purchased or 2) replacement of product. All other claims against Organisan Corporation or any other expense of any nature are waived. Organisan Corporation and the seller offer this product and the buyer or user accept its limited warranty and remedies.
