CAUTION / PRECAUTION

Si usted no entiende la etiqueta, busque a alguien que se la explique a usted en detalle (If you do not understand this label, find someone to explain it to you in detail.)

PRECAUTIONARY STATEMENTS

**BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS
FOR USE, CONDITIONS OF SALE, LIMITED WARRANTY
AND LIMITATIONS OF LIABILITY AND REMEDIES.**

CAUTION:

May cause skin and eye irritation. Avoid contact with skin, eyes, and clothing. Avoid breathing spray mist.

IF ON SKIN:

Immediately flush skin with plenty of soap and water while removing contaminated shoes and clothing. Wash clothing before re-use. Destroy contaminated shoes. Seek medical attention.

IF IN EYES:

Get medical attention immediately. Do not allow victim to rub or keep eyes closed. Extensive irrigation with water is required (at least 30 minutes).

IF INHALED:

Get medical attention immediately. Remove to fresh air. If not breathing, give artificial respiration. Give oxygen if difficulty breathing.

IF SWALLOWED:

Do not induce vomiting. If the victim is conscious and alert, give 1 - 2 pints of milk or water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal. Store in original containers only in cool areas at 40 - 80°F. Keep away from incompatible substances. Keep away from metals. Do not store in metal containers.

CONTAINER DISPOSAL:

Triple rinse (or equivalent) and add rinsate to spray tank. Do not reuse empty container. Recycling decontaminated containers is the best disposal option. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill according to state and local statutes.

GENERAL INFORMATION:

OIL-YS™ is a specialized formulation of natural surfactants and sticking agents. OIL-YS™ can positively affect the application of nutritional sprays and both the application and efficacy of nematicides, fungicides, fertilizers, herbicides, and insecticides designed for use with wetting/spreading type adjuvants.

DIRECTIONS FOR USE:

FOR USE AS AN ADJUVANT WITH NEMATICIDES, FUNGICIDES, FERTILIZERS, HERBICIDES, INSECTICIDES, AND NUTRITIONAL SPRAYS FOR: AGRICULTURAL, ORNAMENTAL, VEGETABLE, FRUIT AND TURF. NOT INTENDED FOR AQUATIC APPLICATIONS.

OIL-YS™ may be applied by ground or aerial equipment or through irrigation. For most applications, use sufficient OIL-YS™ to provide uniform application of spray onto leaf surfaces.

GROUND, AERIAL OR IRRIGATION:

For ground or aerial application to row crops, commercial vegetables, fruit trees, ornamentals or turf: Use 2 - 4 pints OIL-YS™ in minimum of 20 gallons of spray solution. For irrigation, use 1 pint - 1 quart per acre.

NOTE:

The above recommended rates are considered adequate for adjuvant use with most nematicides, fungicides, fertilizers, herbicides, insecticides, and nutritional sprays. Some products may require higher or lower rates. In all cases, follow the nematicide, fungicide, fertilizer, herbicide, insecticide, or nutritional spray label directions.

MIXING:

Follow manufacturer's guidelines for cleaning spray equipment prior to mixing. Fill spray tank with water and add all other spray ingredients according to product labels. Buffer pH to 5.0 or below before adding OIL-YS™ (ex. vinegar or Citric Acid, etc.). Thoroughly mix to resuspend any sediment before using this product. Add OIL-YS™ last and mix completely to fully incorporate with the other ingredients. It is always recommended a compatibility be performed on all first time combinations. (Excessive agitation may lead to foaming of spray solution).

CONDITIONS OF SALE, LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

O2YS Corporation warrants that OIL-YS™ conforms to the chemical description on its label. When used in accordance with the label directions under normal conditions, OIL-YS™ is reasonably fit for its intended purpose. Application timing, method of application, weather, plant and soil conditions, mixture with other chemicals and other factors affecting the use of this product are beyond our control. Therefore, no warranty is given concerning the use of this product differing from the label directions or as a result of abnormal conditions. The user assumes all risk of such use. Any remedy for any cause of action against O2YS Corporation relating to a defect in the product shall be mediated under the laws of the State of Georgia, USA. Any damages found to be incurred by the Company shall be limited to the following: 1) refund of the purchase price paid by buyer of the product purchased or 2) replacement of product. All other claims against O2YS Corporation or any other expense of any nature are waived. O2YS Corporation and the seller offer this product and the buyer or user accept its limited warranty and remedies.
