

CITRISAN™

CITRIC ACID

Use CitriSan™ to lower spray solutions to pH 5.0 OR below for maximizing the efficiency of O2YS and Organisan products in all your Nematicide, Fungicide, Fertilizer, Herbicide, Insecticide, and Nutritional Sprays.

pH REDUCING AGENT

CONTAINS NON-PLANT FOOD INGREDIENTS

Principal Functioning Agent:

Citric Acid, Anhydrous.	100.00%
Total	100.00%

All ingredients are exempt from the requirement of a tolerance at 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

CAUTION / PRECAUCION

Si no entiende esta etiqueta, busque a alguien que le explique en detalle (If you do not understand this label, find someone to explain it to you in detail.)

PRECAUTIONARY STATEMENTS

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS FOR USE, CONDITIONS OF SALE, LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

CAUTION:

Causes serious eye irritation. Causes mild skin irritation. May cause respiratory irritation. Wash skin thoroughly after handling. Wear tight fitting goggles if dust is generated, appropriate chemical resistant gloves, a NIOSH/MSHA approved respirator if there is a risk of exposure to dust/fume at levels exceeding the exposure limits, protective clothing and protective footwear.

ENVIRONMENTAL HAZARDS:

Avoid discharge into drains, water courses or onto the ground except during conditions of normal use.

FIRST AID

IF ON SKIN:

Wash off with soap and water. Get medical attention if irritation develops and persists.

IF IN EYES:

Do not rub eyes. Immediately flush eyes with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do, continue rinsing. Get medical attention if irritation develops and persists.

IF INHALED:

If dust from the material is inhaled, remove the affected person immediately to fresh air. Call a physician if symptoms develop or persist.

IF SWALLOWED:

Rinse mouth. Get medical attention if symptoms occur.

Provide general supportive measures and treat symptomatically. Keep victim under observation. Symptoms may be delayed. Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves.

STORAGE AND DISPOSAL:

Store in original, tightly closed container in a well-ventilated place away from incompatible materials.

PRODUCT DISPOSAL:

Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL:

Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill according to state and local statutes.

GENERAL INFORMATION:

CitriSan™ is an ideal acidifier for reducing the pH of spray solutions. The application of CitriSan™ to spray mixtures complexes minerals in both the water and the soil. CitriSan™ can be applied to all crops including fruit trees, vines, tree nuts, fruits and vegetables, field and row crops, ornamental trees, shrubs and flowers, containerized plants, and turf.

CitriSan™ IS NOT FOR AQUATIC USE.

DIRECTIONS FOR USE:

Under normal circumstances, it is recommended to use 1-2 packets per 100 gallons of water in order to reduce pH level to 5.0 or below. This suggested directive of use will vary based on components and products being mixed as well as geographical variations in water quality. Before using, mix all components according to suggested directions. Measure spray solution pH with a pH meter and then adjust using CitriSan™ as needed to obtain a pH of 5.0 or below. Add O2YS or Organisan products per label instructions.

Required - pH must be 5.0 or below to use O2YS and Organisan products.

CONDITIONS OF SALE, LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

O2YS Corporation warrants that CitriSan™ conforms to the chemical description on its label. When used in accordance with label directions under normal conditions, CitriSan™ is reasonably fit for its intended purposes. Application timing, method of application, weather, plant and soil conditions, mixtures with other chemicals, and other factors affecting the use of this product are beyond our control. Therefore, no warranty is given concerning the use of this product differing from label directions or as a result of abnormal conditions. The user assumes all risk of such use. Remedy against the company for any cause of action against O2YS Corporation relating to the handling or use of this product shall be 1) Refund of the purchase price paid by buyer or user of product purchased or 2) Replacement of used product. All other claims against O2YS Corporation to expense of any nature are waived. O2YS Corporation and the seller offer this product and the buyer or user accept its limited warranty and remedies.
